Mr Secretary,

I know of a place where I can obtain (I think) seven or eight hundred dollars, all in Silver coin. And the most of it is in old currency. What per cent can you give me on such. Before certain date. If I should get it I should have to pay in new silver currency. And could you furnish me with it, and in what way. Will you be so kind as to answer the above as soon as possible.

Yours in haste

Plymouth N.H.

Mr. Secretary,

I know of a place where I can obtain (I think) seven or eight hundred dollars, all in silver coin, and the most of it is in old currency. What price can you give me on such before certain dates. If I should get it I should have it pay in new silver currency, and could you furnish me with it, and in what way. Will you be so kind as to answer the above, as soon as possible.

Yours in haste.
